

Sanjay Bhatt

Bhopal, Madhya Pradesh | s.bhatt.java@gmail.com

Career History

Java Backend Intern, Meridian Software -- 09/2023 to 12/2023

- Developed REST controllers and services using Spring Boot for an inventory management module.
- Wrote JPA repositories against a MySQL database.
- Used Thymeleaf for a couple of internal admin screens; no single-page app framework used.
- Followed Git-based workflow; comfortable with feature branches and PRs.

Education

B.Tech Computer Science, MANIT Bhopal -- 2020-2024

Skills

Java, Spring Boot, MySQL, JPA/Hibernate, Thymeleaf, Git, Maven.

Have not worked with JavaScript frameworks, Node.js, or MongoDB -- all prior experience is on the Java/Spring stack.
